Creative Zone News.....

Duke of Edinburgh

A group of very resilient and determined Year 9s took part in their Bronze Duke of Edinburgh Assessed expedition last weekend. All students successfully passed the expedition, some getting more lost than others! We were extremely proud of all of the students, the weather was really quite unbearable at times on the top of those hills, with no shade. A massive well done to all involved! Hopefully all students have had a chance to catch up on sleep too.

St Michaels Primary School Sports Day

We took some Year 10 sports leaders to one of our local primary schools on Wednesday this week. And they all led elements of their sports day. Our leaders were absolutely fantastic. With the primary school stating ***"they were absolutely fab. Your sports' leaders are a credit to you and your school and worked so hard. Everyone here really enjoyed it and parents' comments were really positive."***

We were so happy with the performance of our leaders, they played a massive role in creating a really special experience for all of the children.

Year 8 Athletics competing

The Year 8 Athletics team on Tuesday competed in the Wolverhampton City championships at Aldersley Stadium. They all worked really hard in the heat and gained medals in many events. The atmosphere was brilliant, and I know a stand full of spectators did create some nerves. All students were a pleasure to take and what was very clear was the amount of support and encouragement they all gave to each other.

Good Food Show

The students had an amazing time at the Good Food Show today, they represented the school extremely well, they learnt and ate a LOT!!!!

It will definitely be a trip we will repeat next year, well done to everyone involved.

From the Chaplain....

Imagine being reliant on others for every aspect of your life. The lame man in Acts chapter 3 had to rely on friends to carry him to the Temple every day, where he would beg for money to feed himself. He could not work or contribute to society and as such would have had little hope of ever marrying or having a family. His lack of 'use' to society would have guaranteed him the lowest status in the community. When Peter and John approached him that day and looked right at him, not averting their gaze as so many others did in embarrassment or disgust, he stretched out his hands eager for whatever coins they had to spare.

"We have no money" Peter told him, "but we will give you what we do have", and with that they invited him to stand up and walk, in the name of Jesus Christ. His disciples would have seen Jesus performing healing miracles like this numerous times, but with Jesus now gone from sight, returned to his Father, I wonder what it was that gave Peter and John the confidence to trust in the power he had passed on to them in the Holy Spirit and to utter these words? Do we have the same confidence when called upon to use the gifts we have been given? And if not, then what causes us to hesitate?

One of the highlights of my week is to hear the thoughts of colleagues from across the school inspired by our weekly Bible readings and themes. The thoughts are sometimes personal, usually very inspiring and always spoken from the heart. I know that colleagues think long and hard about what they are going to share and that the process of sharing takes many of us out of our comfort zones. I am immensely grateful to all those who agree to take a turn on the rota knowing that we appreciate the variety of voices and thoughts which are shared... it is such an encouraging way to start the day!

Because Peter and John were willing to take a risk that day a man's life was changed. Because they were willing to use the gift they had been given, other people witnessed the power of God in action. Because they were willing to step out of their comfort zones, a man with no hope for the future was given an opportunity to live a full life and to play a full role in society. Not only was one man healed, but the whole community was affected.

It can be difficult for us to recognise our own gifts, but even the little things we do can make a huge difference. Think of how it feels when someone smiles at you and is pleased to see you... every single one of us has the power to do that!

The Theme for Worship w.c 19th June 2023

Stephen is sent to speak the truth

Acts 6: 8-10

At The King's CE School we believe that everyone is unique and created in God's image. We enable all to achieve their God-given potential; to grow, learn and aspire; to transform their lives and the lives of others and to journey in faith without limits within a unified, respectful and harmonious community.
