

The King's CE School

Aspire, Believe and Achieve Together

Newsletter 35 Friday 23rd June 2023

Dear Parents and Carers

Last night our Class of 2023 Year 11 students enjoyed a fantastic evening at their Prom. The night was held at The Molineux Stadium and after a wide range of impressive arrival vehicles the students had a wonderful evening of fun, good food and lots of dancing.

Everyone looked amazing and selecting our Prom King and Queen was a very difficult task! Many congratulations to Stuart and Blessing for taking the crowns!

Thanks also to the many staff that attended the evening, it was lovely for staff and students to celebrated the end of the exam period together and reflect on all of their collective hard work and efforts.

A special thank you to Mr Gain and Mrs Kaur that did the organising of the evening and for their dedication to this year group. We wish all of our Year 11s a wonderful summer and we look forward to welcoming them into school in August to collect their GCSE results.

Mr Parry
Vice-Principal

Refugee Week

Refugee Week 2023 is 19-25 June, join us!

In Form worship pupils watched a story of Alek Wek, she is a refugee and supermodel. Alek talked about her experiences as a refugee. Students were encouraged to think about where people are persecuted in the world today and how we might respond.

We encouraged our students this week to do Simple Acts to raise awareness of and to support refugees. Simple Acts such as start a conversation about food, film, books or music. These simple acts help us to make new connections in our school community.

We invite you to share a story.

#RefugeeWeek
#CompassionIntoAction
#SimpleActs

The Wolverhampton City Council Public Health team have invited us to attend a Refugee Week Event at the Civic Centre in recognition of our ongoing work and inclusion, supporting refugee children and their families in Wolverhampton.

Mrs Kelay
EAL Co-ordinator

Year 8 ICT Day

Year 8 had a fantastic day yesterday taking part in interactive coding and gaming activities. They even got to programme and fly a drone!

Another highlight of the day was programming a robot to travel along a very tricky path. Year 8 students conducted themselves very well and received a lot from the day.

Well done Year 8!

Mrs Thomas
Head of Work Faculty & Careers Lead

Careers Fair

Students in years 7 to 10 and year 12 all attended the careers fair on Thursday and were able to talk to universities, colleges, training providers and employers about their future career options. They asked some excellent questions and even took part in practical activities. Students found it enjoyable and informative, and exhibitors were impressed by Kings students.

Well done everyone!

Mrs Thomas

Head of Work Faculty & Careers Lead.

Graiseley Primary School Sports Day

Today we were honoured to host Graiseley Primary School's Sports Day.

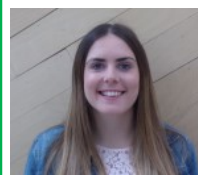

It was a fabulous day with lots of compliments from both the students who took part, and staff who accompanied them.

Congratulations to the following Sports Leaders from Year 10 who took part in the event.

Samriti, Tiana, Bianca, Goda, Roshan, Em, Ernie, Angelica, Ruta, Abigail, Maya, Fortune, Kevin, Muhammed and Cameron.

Well done everyone!

Miss Key

From the Chaplain....

Just a week ago we heard the news of yet another tragic loss of many lives as a boat carrying hundreds of desperate migrants sank off the coast of Greece. But how much do we know about the stories of those who were travelling and the thousands like them who risk their lives each year in search of a place of refuge, safety and hope for their families? And who do we listen to when we want to know more?

This week in Refugee Week, and an opportunity to listen and to share the real-life stories of refugees and their experiences. An opportunity also to imagine and to consider the challenges they have faced but also the skills and gifts they have to offer.

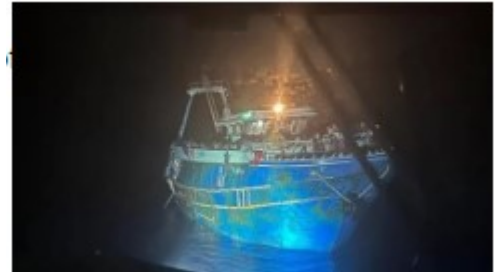

The Hummingbird Project is a Brighton based charity speaking out for refugees and asylum seekers whose voices are so often ignored. Their 'Young Leaders' work empowers young people to tell their stories and communicate their needs. This work was inspired when volunteers noticed how often decisions were being made about the futures of children and young people by a range of different agencies, yet without the children themselves being in the room to speak for themselves.

This week at school we reflect on the apostle Stephen who was arrested and eventually stoned to death for speaking the truth. Often the truth is uncomfortable to hear. Often, speaking the truth can make us unpopular. Throughout both the Old and New Testaments, there are examples of prophets and apostles who were rejected and despised for speaking the truth. And things haven't changed today. We know the opposition faced by those like Malala Yousafzai and Greta Thunberg who speak up with a message unpopular by some of those in power.

Immigration is a highly contentious political topic and there seems to be a lot of pressure on politicians, who want to win votes, to act drastically to cut immigration, at any cost. But before we make our minds up about their policies and plans, are we willing to listen to every aspect of the story? Are we willing to listen to the stories of those seeking places of safety?

The theme of Refugee Week this year is 'Compassion' and we are all invited to listen, to watch and to share a story this week.

The Theme for Worship w.c 26th June

Phillip is sent to explain the good news

At The King's CE School we believe that everyone is unique and created in God's image. We enable all to achieve their God-given potential; to grow, learn and aspire; to transform their lives and the lives of others and to journey in faith without limits within a unified, respectful and harmonious community.
